## **Fish Catch Limits ~ 2019 and on.**

- a. Catfish 5 per day, minimum size 12 inch.
- b. Walleye 14 inch minimum, limit 1 per day.
- c. Northern Pike 24 inch minimum, limit 1 per day.
- d. Bass moratorium - until further notice, all bass caught should be released.  
This will help as we try to get crappie, blue gill and carp under control.
- e. Crappie/Blue Gill and Carp - until further notice, regardless of size, all Crappie/Blue Gill and Carp should be kept out. Do not return them to the lake.
- f. Muskie - until further notice, all Muskie caught must be released back to the lake.

## **Lake Regulations**

- g. For safety reasons: fishing from the bridge, catchment pond or dam is not permitted.
- h. Only electric motors may be used for propulsion.
